This year's guest speaker is: **MaryJo Duvall, Director of The Sault Events, Inc.**

MaryJo has been volunteering since she was a young girl when she began helping with a youth Basketball association that her father started in Arlington Heights, IL. While her dad coached, she and her mom would run concessions. This led to a variety of volunteer opportunities over the years. As her own children became involved in different activities through school and sports, MaryJo was sure to be found lending a hand or organizing other parents to volunteer! Ultimately, her volunteerism led her to the position of Volunteer Coordinator with Hospice of the EUP, a position that she held for 10 years. These days, you can find MaryJo working as the Event Coordinator for The Sault Events, Inc. She still enjoys the opportunity to volunteer at community events, as well as working with volunteers during some of the events she currently organizes.
